

# The 2009-10 Clip, Cut and Cap Challenge

Greetings PSI families! Once again this year we are challenging you to save **General Mills Boxtops**, **Campbell's UPC/Barcode labels** and **Kemps lids** and earn money and supplies for PSI. Boxtops, UPC codes and lids will be collected three times during the school year (see turn in dates below). Classes will compete to collect the most items and the top classes for each round will earn a reward for their efforts. Last years' rewards included a bowling party at Park Tavern, a popsicle party and "kids' choice days" with Senor Watkins in PE class.

Many brands are associated with these programs, so there are lots of opportunities to find \$\$\$ for PSI: all it takes is a sharp eye-- and a sharp scissors! Many of these items might already be in your cupboards or fridge! Turn the page over or visit one of the websites listed below for more product information. Then, pass the word on to grandparents, relatives, friends and neighbors-- the more we collect, the more we earn!

Please note: The Campbell's Program *only* accepts the **UPC** or **BARCODE** symbol from the label. The Kemps Program requires we send the **LID**, not just the label from the lid.

Kemps
