

# The 2011-12 Clip, Cut and Cap Challenge

Greetings PSI families! Once again this year we are saving **General Mills Boxtops**, **Campbell's UPC/Barcode labels**, **Land-O-Lakes lids**, and **Kemps lids** and earn money and supplies for PSI. Last year all our hard work earned \$1800 cash for PSI! In addition we earned 8,790 points from Campbells. Way to go! This year our goal is to break \$2000 is challenge funds!!

Boxtops, Campbell's UPC codes, and milk lids will be collected during two weeks of the school year (see turn in dates below). Classes will compete to collect the most loot and the top classes for each round will earn a "kids' choice day" with Señor Watkins in PE class!

**OR you can drop off your loot anytime in the PSI office drop off bin. PLEASE pay attention to the expiration dates on boxtops and the "super" coupons from Cub Foods receipts for instance. They usually expire quickly!! Please drop them in the office bin or contact Virginia Jensen (see below) for collection arrangement. Thanks!**

Many common brands are associated with these programs to earn \$\$\$ for PSI: all it takes is a sharp eye-- and a sharp scissors! See the included lists or visit one of the listed websites for more product information. Then, pass the word on to grandparents, relatives, friends and neighbors-- the more we collect, the more we earn!

Please note: The Campbell's Program *only* accepts the **UPC** or **BARCODE** symbol from the label. The Land-O-Lakes and Kemps Programs require we send the **LID**, not just the label from the lid.
