

Biography for Laura Gonzalez

My name is Laura Gonzalez, and I'm from Colombia in South America. In Colombia, I was studying Business Management; a beautiful school called PSI changed my plans, and now I'm having a great time with the students, my host family and the Minnesotans. In Colombia, I lived with my parents and my brother. My father is High School teacher, and my mother is a dentist. My brother works in the Department of Literature at my university. I know they miss me, but they know that this opportunity will be great for me. I have been able to do a lot of activities that I enjoy like: riding a bike, traveling, teaching and dancing. All of these things have made my experience in Minnesota great so far. The most special thing that I like in Minnesota is the people because all of them are really warm and I feel at home.

I would love to do babysitting or tutoring and have the opportunity to share my culture, my language and what I am. You can contact me by phone at 612-423-9851 or at by e-mail at lamaga505@hotmail.com
