

Mark your calendars! The Leer-A-Tón, PSI's very own Read-A-Thon, will be held October 19th - November 7th.

The student body is challenged to read 320,000 minutes and raise \$16,000. To meet these goals, each student is encouraged to read 40 minutes per day and raise \$40 in total.

The funds raised during Leer-A-Tón directly support PSI's Amity Scholar Program. Amities make it possible to keep a strong curriculum, provide for small group learning and bring culture and native language to our children.

Leer-A-Tón pledge forms will be sent home October 19th. Please join us in supporting PSI and ensuring the success of Leer-A-Tón 2011!
