

Hello! My name is Rosa Sánchez Acosta, and I am from Madrid, Spain. I am the new Amity Assistant at the Junior High this year. I am helping in Spanish classes with Mrs. Romero and Mr. Brenes. I have a Pedagogy degree from Universidad Complutense de Madrid.

I decided to come to the USA because I want to share my culture and my knowledge with students, to learn about American culture, to meet other people, and of course, to improve my English. But the most important thing I want to do here is to improve as a teacher and as a person.

I like sports, so I hope to enjoy winter activities like skiing and ice-skating. My favorite hobbies are rowing and sailing.

I am willing to help your students by doing some tutoring and giving them extra help after school. I am also interested in babysitting.

I am very happy to be here teaching and learning with the students; I will do the best possible job I can.
