

Biography for Valentina Garrido

Hello PSI! My name is Valentina Garrido, I have lived in Santiago, Chile all my life. I'm a teacher of English as a Second Language (ESL), and I've been waiting for a new teaching experience like the one I have at PSI for so long!

In Chile I was teaching grammar classes to 7th graders and also teaching adults for an organization called Wall Street Institute. I came here to share a little bit about my culture. This is my third time in the U.S, but my first time in Minnesota. I love to travel and meet new people.

In Santiago I live with my mother and my sister Melisa. I also have three poodles; their names are Raisa, Milko and Topo. My parents are divorced, so my father lives in another place. My family shaped who I am as a person. They shaped me to be a kind, caring, compassionate individual who doesn't care about what other people think and will do anything for those I care about. What else? I love taking pictures; I love to read in English and Spanish, and I also love to dance.

I'm interested in tutoring or babysitting. Please contact me if you are interested. My email is valentinagarrido@hotmail.com, and my phone is 612-636-2063.
