SPANISH - BEGINNING

¿Quieres hablar Español? Spanish is one of the most spoken languages in the world, making fluency desirable whether you are planning a trip to a Spanish-speaking country or would like to converse with Spanish-speaking friends, co-workers or clients. This series will begin to build your foundation of Spanish grammar, while introducing basic vocabulary for daily situations. Courses are designed to be taken sequentially, with subsequent courses reviewing and reinforcing your previous learning. Conversational practice and other exercises are led in a fun and no-pressure atmosphere, making the courses ideal for beginners or as a refresher for those with 'rusty' Spanish skills (the Beginning series is approximately equivalent to one year of high school or one semester of college Spanish). Course fee includes a comprehensive textbook and access to a complementary interactive website, giving you ample opportunity for practice during and outside of class. *Instructor Reina Ramirez* Co-sponsored by Minneapolis Community & Technical College. 12 CH / 1.20 CEUs. Register through MCTC, 612-659-6500, www.minneapolis.edu/continuinged.
