Beginning Spanish for PSI Families

If you have a student at PSI and you don't know any Spanish, don't miss this opportunity to learn! You'll have fun in this beginning-level class, exploring the Spanish language with other adults in PSI students' families. Class will cover vocabulary for greetings, family, days of the week, colors, names of places, weather, restaurants and more! You'll also learn about Hispanic countries and culture. This class is not limited to parents - it's a great opportunity for grandparents and friends of PSI students. **For adults only.**

Instructor Carolina Mardones is a former classroom assistant at PSI.
